

(These are the current dug outs at the Town Park and I will be adding two more like these to the back diamond)

Please help add them with a donation to my
Troop 82, Eagle Scout Project.

Your donation of \$25 will purchase a sheet of T1-11
(Siding for the dug outs).

Your donation will help build
TWO 8x8x16 dug outs at the
Sanbornton Town Park
for youth baseball and softball players.
