July 13, 2017

Notice to Residents,

The Town of Sanbornton will be doing road construction on Lower Bay Road starting July 31 weather permitting. The area where the construction will be located will be- starting from the intersection of Lower Bay, Leavitt and Warrens Barn Roads to the end of the pavement on Lower Bay just beyond Black Brook Road. The project will consist of installing underdrain on the edge of the roadway, cross culverts, reclaiming existing pavement, adding base gravel, fine grading, installing erosion stone swales in the ditchline, and repaving. A shim and overlay will be done on one section of the road that remains in good shape. There will flaggers directing traffic where the construction is taking place. Please use caution during the duration of this project. Thank you and your patience during construction would be appreciated.

Sincerely,

Brian M. Bordeau  
286-8252  
Director, Dept. Of Public Works  
Town of Sanbornton
