## PROPOSED ZONING AMENDMENTS

### Amendment #1

Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board to amend the Sanbornton Zoning Map in the area within 500 feet of the shoreline of Rollins Pond and Cawley Pond. In the area described to change the zoning district designation from the Recreational Zoning District to the Forest Conservation Zoning District.

YES

NO

Reasoning:

This change to the Zoning Map will protect the natural shoreline of Rollins Pond and Cawley Pond from high density, small lot development.

*(The Planning Board supports the adoption of this amendment.)*

### Amendment #2

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board to amend the Sanbornton Zoning Map in the area within 500 feet of the shoreline of Giles Pond. In the area described to change the zoning district designation from the Recreational Zoning District to the Forest Conservation Zoning District.

YES

NO

Reasoning:

This change to the Zoning Map will protect the natural shoreline of Giles Pond from high density, small lot development.

*(The Planning Board supports the adoption of this amendment.)*

### Amendment #3

Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board to amend Article 18, Section B (10) of the Sanbornton Zoning Ordinance by changing the references to "forty (40) feet" to "fifty (50) feet" and all references to "forty (40) foot setback" to "fifty (50) foot setback". The complete wording of the proposed amendment is as follows:

NOTE: **Bold Italic** indicates new wording and ~~Strike Through~~ indicates deleted wording.

ARTICLE 18, Section B (10)

Permit an addition to an existing dwelling as a special exception to the Shorefront District within ~~forty (40)~~ **fifty (50)** feet from the normal high water level or water's edge subject to the following conditions:

- (a) The dwelling or seasonal dwelling existed during or prior to 1985.
- (b) No point on the proposed addition is closer to the high water level than the closest point on the existing dwelling or seasonal dwelling.
- (c) The portion of the proposed addition within the ~~40~~ **fifty (50)** foot setback is not larger in area of ground coverage, nor higher than the portion of the existing dwelling or seasonal dwelling that is within the ~~40~~ **fifty (50)** foot setback.
- (d) The provisions of this paragraph may be applied only once for each dwelling or seasonal dwelling.
- (e) The proposed addition complies with all other provisions of the ordinance.

Reasoning:

This is a "house-keeping" change in keeping with the changes made in other sections of the Zoning Ordinance from 40 foot setback to 50 foot setback as was approved by the Town Meeting in 2008. This change brings this section of Sanbornton's Zoning Ordinance into accord with the NH Comprehensive Shoreland Protection Act as well as with the changes which were enacted by Town Meeting in 2008.

*(The Planning Board supports the adoption of this amendment.)*

YES

NO

### Amendment #4

Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board to amend Article 4, Section C of the Sanbornton Zoning Ordinance by adding the following: "**Before any advertising sign may be erected, enlarged or structurally modified, a Sign Permit must be obtained from the Sanbornton Zoning Enforcement Officer.**"

NOTE: **Bold Italic** indicates new wording and ~~Strike Through~~ indicates deleted wording.

Reasoning:

This is a "house-keeping" change to specifically require that a Sign Permit must be obtained before erecting, enlarging or structurally modifying any advertising sign.

*(The Planning Board supports the adoption of this amendment.)*
