PROPOSED ZONING AMENDMENTS

Amendment #1
Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board to amend the provisions of the Forest Conservation Zoning District in Article 7, Section A.(4) of the Sanbornton Zoning Ordinance by DELETING all existing wording in this section and substituting the following wording: **"Single family dwellings of any form or method of construction shall be permitted in this District."**
Reasoning: The current wording of the Forest Conservation Zoning District permits single family dwellings only so long as they are "manufactured homes". This change will permit single family dwellings of any type of construction.
(The Planning Board supports the adoption of this amendment.)

YES
NO

Amendment #2
Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board to amend the wording of Article 2 (Districts) by DELETING "Drawing No. SP71001" and substituting the following wording: **"the official zoning district map of the Town of Sanbornton entitled Zoning Map, Sanbornton, NH, 2011"**.
Reasoning: This is a "house-keeping" change and does not alter in any way the boundaries of the zoning districts as previously established by prior Town Meeting action.
(The Planning Board supports the adoption of this amendment.)

YES
NO

Amendment #3
Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board to amend the specific sections of the following articles of the Zoning Ordinance (Article 5; Section B; Article 6, Section A(5); Article 7, Section B; Article 9, Section E) by DELETING the written description of the zoning district boundaries and substituting the following wording: **"The boundaries of this zoning district are as described in graphic form on the official zoning district map of the Town of Sanbornton entitled Zoning Map, Sanbornton NH, 2011"**.
Reasoning: This is a "house-keeping" change which will simplify the description of the boundaries of the zoning districts. This amendment does not alter in any way the boundaries of the zoning districts as previously established by prior Town Meeting action. This amendment is necessary to implement the approval of Amendment #2 (above).
If Amendment #2 was not approved, then adoption of this amendment is not necessary.
(The Planning Board supports the adoption of this amendment.)

YES
NO

PROPOSED ZONING AMENDMENTS CONTINUED

Amendment #4

Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board to amend Article 8 (Recreational District) of the Sanbornton Zoning Ordinance by adding the following new section: "**B. Description of the Recreational District: The boundaries of this zoning district are as described in graphic form on the official zoning district map of the Town of Sanbornton entitled Zoning Map, Sanbornton NH, 2011.**"

YES
NO

Reasoning: This is a "house-keeping" change which will add a description of the zoning district boundaries for the Recreational Zoning District which presently lacks a description. This amendment is necessary to implement the approval of Amendment #2 (above). If Amendment #2 was not approved, then adoption of this amendment is not necessary.
(The Planning Board supports the adoption of this amendment.)

Amendment #5

Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board to amend Article 10 (Commercial District) of the Sanbornton Zoning Ordinance by DELETING all existing wording in Section G and substituting the following wording: "**The boundaries of this zoning district are as described in graphic form on the official zoning district map of the Town of Sanbornton entitled Zoning Map, Sanbornton NH, 2011.**"

YES
NO

Reasoning: This is a "house-keeping" change to simplify the boundary description of the Commercial Zoning District. This amendment does not alter the current boundaries of this zoning district as previously established by prior Town Meeting action. This amendment is necessary to implement the approval of Amendment #2 (above). If Amendment #2 was not approved, then adoption of this amendment is not necessary.
(The Planning Board supports the adoption of this amendment.)

Amendment #6

Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board to amend Article 4 (General Provisions) of the Sanbornton Zoning Ordinance by adding the following new section: "**Z: Compliance with all other pertinent local, state and/or federal regulations must be attained before issuance of any certificate of zoning compliance or building permit.**"

YES
NO

Reasoning: Sanbornton's Subdivision Regulations presently require compliance with all other pertinent local, state and/or federal regulations. The Town Attorney recommends that such a provision be added to the Zoning Ordinance.
(The Planning Board supports the adoption of this amendment.)

Amendment #7

Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board to amend Article 3 (Definitions) of the Sanbornton Zoning Ordinance by changing the definition of the word "Building" by adding the words shown in **Bold Italic** in the amended definition shown as follows: 8. Building means any rooted structure which is **temporarily or permanently placed on or** attached to the ground including all integral parts thereof, intended for use and occupation as a habitation, or for the purpose of assembly, business, manufacture, storage, or shelter of persons, animals, or chattels.

YES
NO

Reasoning: This amendment will provide that all temporary buildings will be subject to the same zoning requirements as currently apply to permanent buildings.
(The Planning Board supports the adoption of this amendment.)
