

Sanbornton Town Park Committee DRAFT Minutes  
February 8, 2024  
Sanbornton Public Library

Present: Colleen Longo, Heather Goodwin and Barbara Whetstone, Chair

1. Due to lack of a committee quorum, the minutes of January 11th will be read and approved at the March meeting.
2. Heather Goodwin introduced herself and shared her experiences as a prior member of the Recreation Commission. She has much to offer this committee thus Colleen and Barbara encouraged her to fill out an application to become a member.
3. Discussion revolved around plans for meeting with the selectmen next Wednesday to request the BOS approve going out to bid for a surveyor to draw a site plan for the park and a survey line to delineated the park from the transfer station. The BOS are responsible for determining where to draw the line. A survey of the entire lot was done in 2009. In addition, the committee will request the BOS to identify a fund where donations to park development can be deposited.
4. Heather recommended we contact the town insurance carrier, Primax, to inform of park development plans in order to insure coverage of facilities.
5. Next meetings: BOS on February 14, 2024  
Town Park on March 14, 2024

Respectfully submitted,  
Barbara Whetstone, Chairperson
