

Town Administrator Report 5.12.2021

Town Hall Rental –

Rental request from Linda Salatiello for May 20th 11a-2p for a memorial reception for Tom –

Spraying OTH Field –

I contacted Mosquito Squad to see about spraying the field for ticks and mosquitoes. They can come on Friday to spray the field, for \$199 – it would “cover” ~2 acres, focusing on standing vegetation, grass and surrounding trees. It takes 20 minutes to dry and is non-toxic. They guarantee it will eliminate 85-90% of ticks and mosquitos. They cannot spray for black flies.
