*Meeting Place:* Eastman Hill Road Trailhead to Town Forest Trails, Sanbornton NH

*CC Members Present:* Dick Ayers, Ray Masse, Dave Perry

*Others Present:* Katie Surowiec, Clifford King, Don Noyes

**Minutes:**

The Conservation Commission lacked a quorum, so no formal actions were taken, and no decisions were made.

All present walked segments of the Town Forest trail system and discussed various opportunities for improvements in signage, trail maintenance and public engagement. The Green Trail starting at the Eastman Hill Trailhead to the intersection of the Blue Trail (northerly side of the loop) underwent some cleanup. A couple of blowdowns remain along this section that will require chainsaw work.

Meeting adjourned at 8:00 PM.

Respectfully submitted,  
Ray Masse
