Before & After Care:

Elliott reports no changes. The program is looking into hiring new staff to work a split shift for summer day camp. Pelissier mentioned that the grant money can be used to pay for a hiring platform like Indeed, she will look into that option. Elliott discussed field trips and themes for Summer Day Camp. Pelissier will begin working on booking field trips and SDC staff is starting to plan their themed weeks for the program.

Basketball:

K-2nd grade program has started. Three Varsity Basketball players from Tilton School will be coming to each session and helping the coach for the programs run drills with the children. Pelissier mentioned she has had a successful season finding officials for games and is currently working on a 3/4th grade Round Robin Tournament for Saturday, February 2nd. Help was requested for the admission table from 7:30-6pm. Whetstone and Riendeau offered to help for a few hours.

Ice Rink:

The first afternoon open skate at the rink was a success. Pelisser used bracelets to keep track of who paid admission and has heard all positives about the cost for admission. Tilton has even offered to sharpen ice skates for the community at a small charge of \$5. Pelissier will be working with the Pines CC on selling concessions at the next Sunday Skate.
