Riendeau and Federico requested a list of remaining lessons levels and times.

### **Old Home Day:**

Pelissier reported that Old Home Day was a success. The blow up rentals from Vertical Entertainment were a big hit and the placement of them near the town offices and across the field where the vendors were set up was the perfect spot. Having registration forms available for upcoming recreation events was a good idea for families. Facepainting was a huge hit and the 8<sup>th</sup> grade girls were thankful for the opportunity to collect donations for their 8<sup>th</sup> grade Washington DC trip.

## **Shed Storage:**

Pelissier shared a photo of the finished shed at the town park. Lambert will reach out to Amanda Osmer and Pelissier will send a photo with a personalized thank you. Riendeau mentioned reaching out to Jared P. about using the wood from the ice rink to construct some benches for the town park. ## **Upcoming Library Events:**

The two events that the Rec collaborated with the library had wonderful turn outs. The Summer Bike night went well and the grill we were going to use did not work so we were lucky enough to borrow a grill from Justin Barriault for the event. No left-over hot dogs and 4 packages of veggie dogs was enough to feed the families who requested them. The PD gave Pelissier a large box of helmets which she had stored over at the shed at the town park.

## **Summer Drop-in Pickleball:**

Summer Pickleball has been going on since late June. Pelissier reached out to Denise Bodwell to ask the group which days work best for the upcoming session in the school gym. They are going to have Pickleball Tuesdays 5:45-7:45 and Sundays 4:30-6:30. The Recreation Commission agreed to raise the price of Pickleball by \$10 or 50% since they will be using the gym for two days for September & November and also March-June.

## **Fall Sports and Sponsorships:**

Pelissier reported that 2 businesses have paid their \$600 sponsorship and two have paid their \$300. Preschool is the only level without a coach. Registration sign ups are still low but Pelissier will be ordering uniforms prior to her leaving for vacation to ensure that they arrive on time before the soccer season starts.

## **Basketball Uniforms for Winter 2023-24:**

The information on full uniforms from Brine were revisited and the commission approved the spending on 80 full uniforms. Royal blue/white reversible with plain reversible shorts will be purchased. Families will sign a document stating that if the uniform is lost or damaged during the season they will be billed \$100 for a replacement. The document will be signed prior to receiving the uniform. Pelissier will work on the document for the next meeting and place the order by the end of August.
