RECREATION COMMISSION
New Signs at
Hermit & Winnisquam Beach June 2017

The rafts will be put in the water by June 30th, 2017.

The rafts have been repaired over the winter. If the rafts are flipped they will be removed for the rest of the season.

We ask for your help to make sure this doesn't happen. If you witness people trying to flip or damage the raft or vandalize the beach area, please call the police.

The other issue is dogs on the beach. **No dogs are allowed on the beach.**
