

**Town Hall Rental –**

Rental request from Recreation Director Amanda to use the Old Town Hall on Wednesdays beginning in June and running through August. Application is at the end of the report.

**Town Meeting Preparations –**

- Golf Carts
  - I've inquired with two of the closest golf cart rental companies, one in Hooksett and one in Laconia, waiting to hear back. How many carts ideally do we want to secure?
- Audio
  - Wayne Sanborn is aware of the changes to Town Meeting and has agreed to provide the audio and recording of town meeting.
- Porta-potties
  - Need to secure; how many do we want?
- Tent
  - The deposit has been made on the tenting
- Mowing
  - Mr. Bodwell asked about haying the field again this year, he said that would occur in June. Do we need to do something else for the field prior?

**Microphones –**

I have a quote from S.O.S. tech for the microphones and mixer to have better audio at Old Town Hall – the quote is attached.

**Zoom Recordings –**

I have received an email from Zoom that we are at our limit for cloud storage of recordings. I download the videos to the server; can I delete them from the cloud?

Action Items for Next Meeting?
